

Dear Parents/Guardians,

Due to Covid19 and sharing concerns I am asking that each child bring a basic art kit for art class this year labeled with their name.

ART SUPPLIES

To make our Art Class fun and safe, I encourage you to please have the following materials at home and available to bring to class, as well.

New or used, just as long as they work.

This will allow us to create a variety of **AMAZING** works of Art!

- *Pencil case or gallon ziplock bag to keep your materials in.
- * #2 Pencil & small individual pencil sharpener
- *Eraser
- *Scissors...(smaller pair for younger children)
- *Plain white paper (only at home)
- *Colored Pencils
- *Glue... 4 oz. bottle of Elmers
- *Crayola 24 count crayons
- *Watercolors (Crayola set of 8 oval pans is perfect)
- *Markers...Crayola 10 count Broad Tip classic colors
- *Black sharpie...fine point

Many of these supplies can be found at the dollar store, Michaels, Target, and Amazon

Other materials I always have handy are magazines, newspapers, recyclables, yarn, scrap paper.

These are not necessary to have, but can add a little fun to your art.

Thank you and stay safe,

Mrs. Franke
